Dear Sirs,

I am strongly opposed to the move (RE: Docket # 98N-1265) because it may prevent me from obtaining my hormones in compounded form from the pharmacy I use in Wisconsin. These are the only type of hormones I can take which do not have the dangerous side effect of possibly increasing my chances of cancer, and other less dangerous side effects, also.

C 3138

Compounded prescriptions
have been a great im-
provement to my health,
as opposed to patented pre-
scription drugs, most of
which have dangerous or
unwanted side effects.

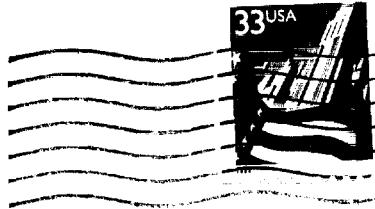

Please consider the health
& well-being of U.S. citizens,
as well as our rights &
freedom as consumers, and
amend the ~~MOR~~ to help
us!

Sincerely,
Judy Graham
